

Hello!

You don't know me, but I just paid for your order. No gimmicks - it's just something I wanted to do. I heard about people doing acts of kindness for others on the radio at 98.5 KTIS. They call it the "Drive-Thru Difference". Maybe you'll want to do it for someone else!

I know that KTIS loves to share these stories on the air! Their phone number is 651.631.5050.
I hope this encourages you today!

Signed,

The stranger in the car in front of you
